

Season Roll-Out Event – Non-liability Declaration Form Zandvoort, 30. March 2021

Non-liability declarations by competitor, drivers and co-drivers:

The competitor, driver and co-drivers attend the Season Roll-Out Event, Zandvoort, 30.03.2021 (hereinafter referred to as the Event) [= non-timed and timed training, qualifying session, warm-up, practice sessions and inspection sessions, races, classification rounds, classification tests for reaching top speeds or shortest ride time] at their own risk. They bear the undivided responsibility, both civil and criminal, for any damages caused either by themselves or through the cars used.

The competitor, driver and co-drivers agree, within the scope of the Event, to waive any claims for damages of any kind against

- Porsche AG and its representatives, sponsors and suppliers,
- own participants (other agreements between participants have priority!) and helpers, the respective other participants, the owners and registered keepers of all cars participating in the Event (as far as the Event takes place on a permanent or temporarily closed track) and respective helpers,
- FIA, CIK, DMSB, the member organisations of DMSB, the Deutsche Motor Sport Wirtschaftsdienst GmbH, their presidents, executive bodies, managing directors and general secretaries,
- ADAC, the ADAC regional organisations and companies connected to the ADAC e.V., their presidents, executive bodies, managing directors, general secretaries, employees and members,
- the promoter/series organiser
- the organiser, sporting stewards, circuit owners, the authorities, racing services and all other persons involved in the organisation of the Event,
- the road construction authorities and
- the various agents, legal representatives, full-time and honorary employees of all the persons and authorities mentioned above.

with the following exceptions:

- This waiver does not apply if the companies, institutions and other organisations listed above including their legal representatives or various agents (hereinafter jointly referred

to as the “Beneficiaries”) act grossly negligent (grob fahrlässig) or intentional (vorsätzlich) or in the event of injury to life, limb or health.

- Likewise, it does not apply in the event of violation of material contractual obligations, namely obligations whose fulfilment make the proper realization of the Event possible and the competitor, driver and co-drivers regularly rely on and may rely on. However, in such cases, liability of the Beneficiaries is limited to the compensation of the foreseeable, typically occurring damage.
- Likewise, it does not apply if the Beneficiaries act fraudulently or assume a guarantee or a procurement risk. The waiver has also no effect on any mandatory statutory liability, including without limitation under the German Product Liability Act (Produkthaftungsgesetz).

This waiver applies to all claims for any legal reason whatsoever including claims resulting from both contractual and non-contractual liability as well as unlawful acts.

Tacit exclusions of liability shall not be affected by the aforementioned non-liability clause.

The competitor, driver and co-drivers acknowledge that no insurance coverage for motor traffic (vehicle insurance, comprehensive insurance and motor passenger personal accident insurance) is provided for damages within a race event, aiming to achieve top speeds. The competitor is obliged to inform the vehicle keeper and owner of the entered race cars thereof.

In case of occurring damage or determined injury respectively in the case of damages to health which may question the motor sportive fitness on a continuing basis or temporarily, the signatory releases all treating physicians – considering the resulting safety risk not only for himself/herself but also for third parties – from the medical confidentiality among each other as well as towards the race/rally director, leading rally physician, sporting stewards, medical director of operations, DMSB organisation medical, coordination office automotive sports (DMSB) and the insurance damages office.

With his signature, the signatory agrees to personal data being stored, transferred and processed according to the data privacy regulations of the DMSB, under consideration of the federal data privacy act.
